Staying Healthy

As flu season comes around, let's keep our community safe!

Before and during your trip:

1. If you are feeling sick before a trip, please take a rapid COVID test. If you test positive, the cancellation fee will be waived.
2. When possible, keep the windows down during your trip.

After your trip:

1. Wipe down the car with a Lysol wipe! If the car is running low, email us at info@evgood2go.org.

MEMBER SPOTLIGHT

Carlos Fabré

Carlos is originally from Santo Domingo, where he spent his childhood playing a variety of instruments, finally finding his passion playing the electric bass. He first came to Boston in the summer of 2017 for a music program at Berklee. He then auditioned and got in with a full ride! He enrolled fulltime in 2019, and now studies Music Business and Management.

Before Good2Go, Carlos would take public transit everywhere. After seeing one of the Good2Go cars at our old Dudley location, he immediately signed up and now almost exclusively uses our cars to get around. Most of the trips that Carlos takes in Good2Go cars are to neighboring towns and cities to play gigs. It's not all for business though! He also enjoys using Good2Go cars to pick up friends and to search for the best food in Boston.

RFID Card Information

As a new member, you will be given an RFID card. You can use them to lock and unlock your vehicle during your booking like you can with the app. However, **you must still end your booking using the app.**

How to Use: Hold your RFID card against the card reader near the driver's seat window until it flashes green. When you lock the vehicle, it will flash 3-4 times to indicate that it is locked.

Make sure your **home address is updated** in your Good2Go app so we can mail you your card! If you ever need a new card, there is a \$10 fee.
