

JANUARY 2023

GOOD2GO

ELECTRIC VEHICLE CARSHARING

Vehicle Updates

Vehicle Winterization

With the changing weather, sometimes the charge on our cars drops dramatically if they are not plugged in. At the end of each booking, make sure the car is charging. Also, in the trunk of each car there should be a little shovel and ice scraper. Please let us know if either are missing.

Vehicle Locations

Thank you for your patience last month with vehicles being moved around and some locations being deactivated for periods of time. Starting 1/1/23, we should be back to our four normal locations.

New Damage

Before every trip, please take a quick look around the inside and outside of the vehicle. If you see any trash or new damage, please take a picture and email us! We don't want you to be blamed for someone else's mess!

Member Feedback Survey

Good2Go has officially been operational for over 6 months! We would love to hear from you, our members, to know how your experience has been so far.

The below survey should take about 5 minutes to fill out, and will directly impact the moves we make going forward. Thank you for taking the time to fill it out!

MEMBER SPOTLIGHT

Would you like to be our next member spotlight?

All it takes is a quick email to us at info@evgood2go.org and we will find 10-15 minutes to chat!

Staying Healthy

As flu season comes around, let's keep our community safe!

Before and during your trip:

1. If you are feeling sick before a trip, please take a rapid COVID test. If you test positive, the cancellation fee will be waived.
2. When possible, keep the windows down during your trip.

After your trip:

1. Wipe down the car with a Lysol wipe! If the car is running low, email us at info@evgood2go.org.
