

MAY 2023

# GOOD2GO

## ELECTRIC VEHICLE CARSHARING

### New Cars & New Locations!

We have officially added two Nissan Leafs to our fleet!

One will be a second car at our JP location,  
and one will be at Bartlett Station.

### April Stats

150

Total Active Members

3511

Vehicle Miles Traveled

70

Total Bookings

1242

Kilowatt hours used

### New Rates!

Good2Go's goal is to make electric vehicles accessible to all people, however our Reduced Rate doesn't cover the costs of running our program. By selecting our Champion Rate, you will be supporting your fellow community members and the longevity of Good2Go.

- Roadside assistance
- Member support

## Emmanuel Lewis

## MEMBER SPOTLIGHT

Emmanuel just graduated from Berkeley College of Music! He grew up in New York and moved to Boston for school. He heard about Good2Go through a friend, and realized it was a great way to affordably get around the city.

Emmanuel uses Good2Go cars to go on nice dates with his girlfriend, get to different gigs with his band, and go hiking outside of the city. As the weather warms up, Emmanuel is looking forward to recording and releasing music with his band!

## EV's in Podcasting

Good2Go member Felix Poon is an award winning audio producer with a passion for deeply personal narrative storytelling. Below is a two-part series about EVs that he just published.

### Part 1

Part 1 looks at the barriers to the EV transition, from the charging infrastructure, to the grid, to

### Part 2

Part 2 looks at whether private EVs is really the way to go because of the societal problems that

mining metals, and what we're doing to get past these barriers.

come with a car-centric transportation infrastructure, and what people are doing to increase access to public transit and biking.
