

# GOOD2GO

## ELECTRIC VEHICLE CARSHARING

### Unlocked Cars

This past month we had a couple of situations where Good2Go members did not lock their car after a booking, and a random person took the car. **It is VERY important to end your booking through *Current Bookings* in your app every time you return a car.** If the booking isn't ending, give us a call at 617-718-5344 and we will end it for you. This will ensure that the cars are clean and available for every booking.

- Are you in need of an RFID card still? Fill out this [form](#) to request a new one.

### Kendra Alkire

### MEMBER SPOTLIGHT

Kendra has lived all over the United States, with her most recent move being from Oregon to Boston this past summer. She is interning in Pediatric Psychology at Boston Children's Hospital as she wraps up the final

year of her doctorate in psychology. In her free time, Kendra loves hiking, exploring new restaurants, and visiting museums.

When living in Oregon, Kendra had her own electric vehicle, but couldn't bring it to Boston. When she found Good2Go, she was thrilled because she was able to run errands and go on day trips without creating fuel emissions. This winter, Kendra is looking forward to using Good2Go cars to visit nature outside of the city.

## Staying Healthy

As flu season comes around, let's keep our community safe!

### Before and during your trip:

1. If you are feeling sick before a trip, please take a rapid COVID test. If you test positive, the cancellation fee will be waived.
2. When possible, keep the windows down during your trip.

### After your trip:

1. Wipe down the car with a Lysol wipe! If the car is running low, email us at [info@evgood2go.org](mailto:info@evgood2go.org).
