New Good2Go Team Member!

Let's welcome **Wilson Gil** to the team as our new Operations Associate!

Wilson grew up in Boston and before joining us at Good2Go he spent the last three years at St. Francis House working as a social worker at the homeless shelter. Community outreach and environmental justice have always been an important part of his life which is

what drew him to this position. In his free time, you can find Wilson working out, watching sports, and traveling.

MEMBER SPOTLIGHT

Didi Draper

Didi was born in Atlanta but has been living in Boston since she was a teen, and is now a nursing assistant at Newton Wellesley Hospital. In her free time, Didi enjoys getting out in the community and attending video game and comic book conventions, visiting art museums, and spending time with her husband and their toddler.

Didi and her husband were one of Good2Go's first members! They decided to join Good2Go because it was more affordable than other car share programs and Didi and her husband liked Good2Go's had environmental and community-oriented mission. Didi uses our cars for every day errands as well as long distance trips with her family. She is currently saving up for her own car, but in the meantime Good2Go is grateful for Didi's continual support of our program!
